The North American Numbering Council (NANC) has scheduled a closed meeting to be held Wednesday, March 26, 2014 at 1:30 p.m. The meeting will be held at the Federal Communications Commission,

Portals II, 445 12th Street, SW, Washington, DC.

The notice of this meeting was first published in the **Federal Register** on March 13, 2014, 13 days in advance of the meeting on March 26, 2014. While the publication did not meet the 15-day requirement for advance publication, exceptional circumstances warrant proceeding with the March 26, 2014 NANC meeting. The NANC Chair, Vice Chair, and most NANC members were informed of the potential March 26 meeting via emails in January. The rest of the NANC members were notified informally of the proposed March 26 meeting in January or February, and on more than one occasion. A significant number of Council members have made business and travel plans in accordance with this schedule, and there is no date within one month of the planned date that will accommodate Council members' schedules. Delaying the meeting will also cause undue financial burdens on many of the members who have made travel arrangements. Further, recognizing the delay in **Federal Register** publication, the agency issued a Public Notice of this meeting on March 10, 2014, to mitigate the late **Federal Register** publication delay and as an additional way of advising the public of this meeting. The agency has also posted all NANC meeting dates on the FCC NANC website to further inform the public. As the March meeting date has been disseminated to all NANC members and the public, the March 26, 2014 meeting has now been broadly announced.

People with Disabilities: To request materials in accessible formats for people with disabilities (braille, large print, electronic files, audio format), send an e-mail to fcc504@fcc.gov or call the Consumer and Governmental Affairs Bureau at 202-418-0530 (voice), 202-418-0432 (tty). Reasonable accommodations for people with disabilities are available upon request. Include a description of the accommodation you will need, including as much detail as you can. Also include a way we can contact you if we need more

information. Please allow at least five days advance notice; last minute requests will be accepted, but may be impossible to fill.

PROPOSED AGENDA: Wednesday, March 26, 2014, 1:30 PM

1. Discussion of the Local Number Portability Administrator selection process and bids submitted by vendor(s) that want to become the LNPA, followed by a vote of the NANC members on submitting a recommendation to the FCC for vendor(s) selection and regarding the LNPA selection process.
